**THE PALESTINIAN
RESISTANCE REACHES
A HISTORIC
CEASEFIRE DEAL**

OUR STATEMENT

NOSHIP

NEW ORLEANS STOP HELPING ISRAEL'S PORTS

After 1 year, 3 months, and 4 days of Israel's genocidal campaign, and at least 64,000 martyrs, the unified Palestinian resistance won a ceasefire agreement on Wednesday, Jan 15; approved by the Israeli cabinet on Friday, Jan 17, 2025. Israel finally conceded to a cessation of hostilities, to proceed in phases towards a permanent ceasefire.

NOSHIP joins the Palestinian people in celebration of this historic victory. It adds yet another confirmation of a truth already well-known by many: Israel is living on borrowed time.

The heroic, courageous, and steadfast people of Gaza won this agreement, with the unrelenting support of the global solidarity movement. Israel's so-called "red-lines" blew away like they were drawn in sand.

The agreement secures the release of all women and children languishing in Israeli prisons, hundreds of detainees, and 1,000 political prisoners. It grants entry to long-overdue humanitarian aid, and forces Israeli Occupation Forces to withdraw from the interior of the strip and the Netzarim corridor.

The people have won resettlement rights, a major defeat for the Zionist campaign of ethnic cleansing

We hold the US imperialist regime, Biden and Trump both, responsible for this genocide and the devastation it leaves behind.

We continue to honor all of the martyrs, many taken at the 11th hour of reaching an agreement, in Palestine, Lebanon, Syria, Yemen and Iran.

We remember and honor our own, Tawfic Abdel Jabbar, as we near one year since he was martyred by Zionist forces in the West Bank.

We also remain alert to the likelihood of violations of this agreement by the Zionist occupation.

Led by the Palestinian people, our solidarity movement must continue to exert pressure within the United States until Palestine is free, From the River to the Sea!

Now is as good a time as any to join NOSHIP, demand full divestment, and keep up the fight.
